

national science week 2022

YOUR LIBRARY

Adults & Kids

Sunday 21 August iNaturalist: Citizen Science in Tarralla Creek and Eastfield Park

Love nature?
Want to learn more about our environment?
Want to get involved with the global
conservation effort?
Want to have a nice walk in the park?

11am

Ecologist and Entomologist Luis Mata will guide us through using the iNaturalist app to share observations we make on our walk and provide us with unique insight into our urban ecology.

Children 8+ are welcome to participate with their parents or guardians. Bookings required

A National Science Week event, presented with the support of the Inspiring Victoria program
